

# Community Hangi & Cultural Day 29th November, 2019.

The Woodend Community Association would like to run a Community Cultural and Hangi day to be held at Woodend School on the 29th November from 12.30 pm. We envisage this being a community day where the invitation to attend would be extended to all students (current roll 345) and the wider community. We are hoping that this will become an annual event.

If you are interested in attending please either ring the School Office 312 7808 or email [office@woodend.school.nz](mailto:office@woodend.school.nz) for catering purposes.

## Activities on the day:

The school children will be involved in the vegetable preparation.

They are also going to be assisting in digging the pit the previous day.

There will also be tikanga (cultural) activities as well as kapahaka, choir and jump jam performances.

In the past Kaiapoi High and students from Te Pa o Rakaihauto have been involved through Kahui Ako connections and this is something that we hope will be possible again.

After eating time there is time for all members of the community to interact with each other giving a wider sense of community.

In order for us to run this event, we are asking for donations or sponsorship so that we can provide the food. These donations could be either monetary or by donating bulk produce. Please let us know if you are able to help us with this. There may be a local business that wants the naming rights. We would like to acknowledge the following businesses who have offered sponsorship at this stage; ***GMC Painters, Tuhaitara Trust, TIL Freight, Woodend Community Association and the Woodend Rugby Club.***
